Paving the way towards precision medicine in migraine

Teva is happy to announce the 3rd Nordic Migraine Symposium. The main venue will be in Helsinki (photo) with local hubs in Oslo, Copenhagen and Stockholm. For those not able to attend a physical event, it will also be available online.

The Steering Committee consists of:

Messoud Ashina, (Professor of Neurology at Rigshospitalet Glostrup), Denmark.

Matthias Linde, (Professor of Neurology in the Department of Neuroscience, Norwegian University of Science and Technology), Sweden.

Mikko Kallela, (Assistant Professor, Neurology specialist at Helsinki University Central Hospital and Helsinki Headache Center), Finland.

Anne Christine Poole, (General practitioner and headache specialist at Oslo Headache Clinic), Norway.

Final agenda and instructions for registration will be sent out later. Until then, please save the date 26-27 November 2021.

For more information, go to www.nordicmigrainesymposium.com

Best regards,
Teva Nordic and the Steering Committee
